

DESIGUAL CLUB - LOYALTY PROGRAM **TERMS AND CONDITIONS**

Desigual.

These Terms and Conditions (the "**T&C**") define the characteristics and operating conditions of the loyalty program of the brand "Desigual" called "Desigual Club" (the "**Loyalty Program**") intended for customers (the "**Participant**" or the "**Participants**"), which is owned by the company ABASIC, S.A., with corporate address in Passeig del Mare Nostrum, 15, 08039 Barcelona, Spain, duly registered with the Commercial Registry of Barcelona, Volume 40.666, Page 46, Sheet B-259066, which is the parent company of a corporate group, integrated by several branches with corporate address in different jurisdictions (the "**Desigual Group**").

Please read the T&C carefully before joining the Loyalty Program. The incorporation to the Loyalty Program implies that the Participant expressly accepts and adheres unreservedly to these T&C.

1. Loyalty Program

The Loyalty Program is based on obtaining Benefits generated through purchases in (a) the stores owned by Desigual Group (seasonal and outlet stores) located in the Territory (as this term is defined below) (the "**Desigual own stores**"), (b) the Desigual Group brand web sites (i.e., www.desigual.com) (the "**Desigual Brand Web Pages**") available in the Territory, (c) the Desigual franchise stores available in the Territory (the "**Desigual Franchise Stores**"), and (d) any other sales channel available in the Territory and included at each time in **Appendix 1** all of them, jointly, the "**Loyalty Program Channels**".

The Benefits (as this term is defined below) can be obtained on purchases made through any of the Loyalty Program Channels located in any of the countries listed at each time in **Appendix 1** (the "**Territory**").

Desigual Group reserves the right to check the identity of the Participant for any circumstance related to the Loyalty Program (i.e., purchases, returns, collection and redemption of cashback, enjoyment of associated Benefits, etc.), as explained in Section V.

2. Adherence to the Loyalty Program

Any natural person of legal age could apply for adhering to the Loyalty Program. For this purpose, Desigual Group reserves the right to check the age of those persons who wish to join the Loyalty Program through a demonstrable mean which verifies that the adherent has the minimum age required.

People who wish to adhere to the Loyalty Program may proceed through the following ways:

- (a) *Online*: filling the online signup form for registration on the Desigual Brand Web Pages available in the Territory.
- (b) *In-person*: in physical stores, both Desigual own stores and Desigual Franchise stores included in the Loyalty Program Channels located within the Territory, the customer will provide to the salesperson the necessary data to complete the signup form of the Loyalty Program.

In this regard, after joining the Loyalty Program, the Participant will have the option to download an e-card to their mobile wallet ("**Desigual e-wallet**"), which will hold the basic information of the Participant for identification purposes (i.e., name, membership number, cashback, available discounts, and the QR code).

The member condition of the Loyalty Program is untransferable and therefore the benefits associated to the same can only be enjoyed by the Participant itself.

3. Tiers

According to cumulative expenditure on purchases, Participants will be assigned with the following tiers:

- (b) Top Tier: this category will be granted to the Participants when they (i) accumulate an expense of 800 AWG or more in the last 365 days.

The 365-day period abovementioned shall begin to run from each purchase made by a Participant. This means that each acquisition generates a new period during which the Participant could achieve a particular level of expenditure.

As the Loyalty Program will have multi-channel integration and validity in different countries with different currencies, there will be an adjustment of the model for changing tiers according to each currency. In this sense, each country will have a spend rule that equals or closely rounds to the abovementioned amounts in Euros.

In the event that the Participant's purchase is made through any of the Loyalty Program Channels located in a Territory, whose currency is different from the Territory in which the Participant is registered in the Loyalty Program, the currency basis to calculate both, the cashback obtained on the purchase and the exchange corresponding to the purchase receipt, will be automatically calculated with reference to the currency of the Territory in which the Participant has been registered in the Loyalty Program.

Desigual Group will communicate any change of category following the provisions stated in Section VII below.

4. Return of products

Whenever a product/s from a purchase is/are returned, the cashback amount earned for that specific product/s will be removed from the Participant's account balance, unless it has already been used, as the balance will never result in a negative outcome.
